

ISHSA Rule Book Supplement 2015

The following changes have been incorporated into the Rule Book:.

SECTION 5 BY-LAWS, ARTICLE I Dues page 2-1

An individual sponsoring a horse show may apply for ISHSA approval; however, individuals will not be granted a delegate seat on the executive committee. Individuals putting on shows will be subject to all the same rules pertaining to putting on shows that member organizations must follow.

SECTION 5 BY-LAWS, ARTICLE XII page 2-12

Scholarship(s)

ISHSA may (as funds permit) choose to offer one or more educational scholarships. Due to continually changing laws and student needs, a scholarship committee shall determine the criteria for the execution of the scholarship fund. The scholarship fund shall be kept in a dedicated fund separate from the ISHSA general fund. The actions of the scholarship committee and the criteria for the scholarship shall receive final approval from the ISHSA executive committee. As one method of generating funds for the educational scholarship(s), the scholarship committee may sell dedicated horse show numbers. Dedicated show numbers will be sold on an annual basis with first right of refusal to repurchase a specific dedicated number going to the previous year's purchaser of a given dedicated show number. Use of a dedicated number is a show participant's privilege and not a right; however, once that privilege has been purchased by an exhibitor, the use of that dedicated number may only be used by said purchaser for the year it was purchased for. Show managements may not issue the sold numbers to any exhibitor except the purchaser. It will be the responsibility of the scholarship committee to produce and maintain a list of sold numbers. This list is to be kept readily available to ISHSA club members and show managements via the ISHSA newsletter, ISHSA website, the how to put on a show packet, email, and other appropriate methods of distributing this information.

SECTION 8 RULES GOVERNING ALL CLASSES IN ALL DIVISIONS PAGE 5-1

If abuse to an animal has resulted in owner/rider/representative of the animal to be removed from show grounds via judge/steward/management, ISHSA may revoke points/prizes earned at that show by animal upon review of a filed protest.
